

A Studio Rubín

(studio roo-bin)

Studio Rubín is a basement theatre just off a busy square below Prague castle at the heart of the north side of the river. It is a black painted box with arched ceiling and end on raked seating. There is a separate ground level café/bar. Rubin is a classic “fringe” space.

Stage (without Vinyl Dance floor)

Stage Dimensions

Depth 4.50m (rear wall is angle so SR is approx 0.5m deeper)

Width 5.90m

Height 3.45m in centre, sloping to 2.50m at the sides.

Seating

60. End on. Loose chairs on raked rostra

Stage Floor

Vinyl dance floor over ceramic. There is a step down from the dressing room to the stage floor of 36cm.

Site Lines

Good, though limited to stage floor due to gentle rake of seating.

Prague Fringe Festival Venue Information Pack - Rubín

Stage Surround

Black painted arched performance space, rear wall angled so SR is approx. 0.6M deeper than SL

The dressing room is through a curtained door USR with another connected opening USL and through bar to audience door MSL. There are no blacks or masking available.

Audience Entrance

Down stairs, through bar, the entrance to theatre is mid Stage Left and across playing area to seating bank. Late-comers (if admitted) have to cross stage. No disabled access.

Access

As audience, down a steep flight of steps. All equipment has to be carried down these steps.

Prague Fringe Festival Venue Information Pack - Rubin

Set Storage

Limited in dressing room, we can also store a small number of larger items outside the performance space in the bar area.

Furniture

This venue has no furniture store. You can borrow chairs and tables from the bar area however there is only one design.

Performers Access

As per audience and from two doors (SL & SR) at back of stage.

Dressing Room

Single communal room with shower, this leads directly onto the stage area, toilets are shared with the audience, in bar.

Lighting

Tritton LT24 memory desk (24 Way) with 12 submasters

24 x 1k dimmers

We will provide a basic standing rig with two profile (leko) specials that can be refocussed. This rig is largely made up of pebble convex instruments.

Sound

Behringer Eurorack MX1X1602 8 into 2 Mixer

Channels 7&8 are stereo for playback

1 x MD player

1 x CD Player

4 x SM 58 (equivalent) vocal Mics 2x mic stands

3x mic tie lines from stage (SR) to control box

Technical equipment is subject to change and is for illustration only.
